

Dear U16 parents,

A lot of you will be on your way to Thunder Bay Feb. 20-23<sup>rd</sup> 2020 to be part of u16 provincials. Thunder Bay is really excited to welcome you all and we are planning a fantastic event. We are a committed and strong ski community but we are small. It would be wonderful if those of you who are visiting and here to support your children could volunteer some of your time to help in this provincial championship.

The following is a list of jobs that need filling. If you can help please email me, Daphne Mitchell: [billdaph@shaw.ca](mailto:billdaph@shaw.ca) with your preferred position and we will accommodate you.

Gate keepers  
Course crew  
Hand timers

Please select the job that you feel the most comfortable doing, some are more labour intensive than others.

Many, many thanks.

Volunteers receive lunch and snacks in the volunteer trailer, excellent viewing of race and an appreciation wine and cheese.

Kind Regards,

Daphne Mitchell
